

Attention Location and Production Managers

Chrysalis StreetWorks Program

Are you filming in Downtown Los Angeles?

If you are, we can help!

We provide fast, thorough, affordable, reliable location cleanup, before and after you shoot, including:

- Professional street and sidewalk cleaning
- Pressure washing
- Trash removal
- Graffiti removal
- Brush clearing, and more

Let the people of Chrysalis help you – and you'll be helping them. We are the only independent nonprofit organization in Los Angeles County exclusively dedicated to assisting individuals become self-sufficient through employment opportunities.

This year alone we will help more than 2,000 individuals change their lives through jobs.

Our services are very competitively priced. If you need the work done, why not give that work to someone who is looking for an opportunity to change their life?

StreetWorks operates 24 hours a day, seven days a week, serving Downtown Los Angeles and all of L.A. County. Chrysalis' professional street maintenance and cleaning program employs economically disadvantaged individuals in apprenticeships to give them marketable skills and a living wage.

"As the Location Manager for Cold Case at Warner Bros. Television, I have had the pleasure of using the services of Chrysalis and StreetWorks on many occasions. They are extremely responsive to the needs of our hectic schedule and are my first choice for street cleaning and refuse removal when shooting Downtown Los Angeles. I will continue to support Chrysalis and StreetWorks in the future."
