This survey is distributed at the request of FilmL.A. — the office that coordinates on-location filming in the City of Fullerton. Please note — this survey is not a request for permission to film. It is purely an information gathering tool, which FilmL.A. will use to ensure that productions are mindful of communities.

On-location filming is generally permissible in residential areas between the hours of 7:00 a.m. and 10:00 p.m., Monday - Friday. Activities that are extraordinary in nature, that extend the permitted hours before and/or after these times or that require filming on weekends or when a production is at one location for more than five consecutive days may require the production company to survey the surrounding community.

This company has applied for the necessary permit and maintains all legally-required liability insurance. If a permit is granted, all personnel required to ensure public safety will be on-location. This company agrees to abide by all City filming rules and any specific guidelines applicable to your neighborhood. This company will make every effort while in your community to respect and maintain public safety. Thank you in advance for your cooperation and hospitality while this filming takes place in your neighborhood.
