This survey is distributed at the request of FilmLA — the office that coordinates on-location filming in the City of Diamond Bar. Please note — this survey is not a request for permission to film. It is purely an information gathering tool, which FilmLA will use to ensure that productions are mindful of communities.

On-location filming is generally permissible in residential areas between the hours of 7:00 a.m. and 10:00 p.m., Monday - Friday. Activities that are extraordinary in nature, that extend the permitted hours before and/or after these times or that require filming on weekends or when a production is at one location for more than five consecutive days may require the production company to survey the surrounding community.
