

**SPECIAL FILMING CONDITIONS
VICINITY OF 225 E. 5th STREET
(FORMER CITY FIRE STATION 23)**

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmLA), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

- **Affected residents/merchants/businesses must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation.** *Permit requests must be submitted to FilmLA at least three (3) days in advance.*
- **Equipment parking is prohibited on the north side of 5th Street from the old fire station (225 E. 5th Street) east to Wall Street.** This area must be left available for merchant use/customer parking and cannot be posted.
- **Posting and/or equipment parking is permitted in the following area:**
 1. North side of 5th Street from the old fire station (225 E. 5th Street) west to Los Angeles Street.
 2. For night filming, the south side of 5th Street (adjacent to LAPD Central Division) may also be used provided approval from the Department of Transportation is obtained.
- **This is a busy commercial area and it is imperative that filming activities not hinder the loading and unloading of trucks.** Off duty/retired police officers and production personnel must make every reasonable accommodation so that this activity can continue.
