

SPECIAL FILMING CONDITIONS  
**10200 BLOCK OF MOORPARK STREET  
4300 AND 4400 BLOCKS OF FORMAN AVENUE**

Violations of these conditions may result in permit revocation or other administrative action.

*The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmLA), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.*

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of any substantial set preparation. Production companies may not arrive in the area prior to 7:00 a.m. and must depart no later than 10:00 p.m.. Permit request must be submitted to FilmLA at least three (3) days in advance.**
- **A minimum of vehicles essential to production shall be parked on the public way.**
- **Cast and crew are not permitted to park on area streets.** Off street parking must be provided for personal vehicles.
- **Serving of meals shall be on private property, not in the public way.**
- **If it comes to the attention of FilmLA that there is an individual or individuals with a serious medical problem in the area** where filming is to take place a permittee may be required to conform to additional conditions or a permit may not be issued.
- **Only one permit shall be issued for a specific location per month** and other permits will be issued a maximum of only once a week. This limits filming to 4 times a month.
