

Film Insurance Guidelines

Filmmakers seeking permits to film on-location in any of the areas served by FilmL.A. must either have on file or provide proof of insurance meeting both our requirements and those of each jurisdiction involved. The insurance step is very important, since timely insurance submission is necessary to prevent permit coordination delays. Permits cannot be released until your insurance has been verified.

Please note that mandatory coverage varies widely by jurisdiction. We do not advise you to purchase insurance without reviewing this document and/or calling us at 213.977.8600 to discuss your plans with a FilmL.A. Insurance Specialist.

[Sample certificates](#) for all jurisdictions are available on the Forms page of our website.
